MEN

MASCOT--Buccaneers

COLORS--Green and Gold

CONFERENCE--A.J.C.C.C.

REGION--XXII

LAST YEAR'S RECORD--16-12 (1st round state playoffs)

HEAD COACH--Mark Cornelius

Cornelius is in his sixth year as Shelton State Community College head men's basketball coach, and has compiled a 77-68 record over the stint. Cornelius began his career in basketball coaching at Altamont High School in Birmingham, AL where he spent two years (1986-88). He then served as Graduate Assistant on the University of Alabama staff under Wimp Sanderson during the 1988-89 and 1989-90 seasons. As a part of the UA staff, Cornelius was a member of two (2) SEC championship teams and two (2) NCAA Tournament teams, one which reached the "Sweet Sixteen." Cornelius is a graduate of the University of Montevallo, where he played basketball his junior and senior years. In his freshman year, Cornelius was a member of the NJCAA national runner-up Jefferson State Junior College men's basketball team in 1980.

Cornelius' Comments:

"I feel like this team has a lot of talent, but having it and using it while you are on the floor is something entirely different. We have three sophomores on this team, and they will have to show a lot of leadership to the freshmen. We have 10 freshmen and they will have to play a big role in our scheme. If everybody will play hard and give 110% every play, in practice as well as the game, then we should be fine."

New Alumni Association...

by: Sherry Hassell

An Alumni Association

composed of current and former students of Shelton State Community College is being formed, according to Lucy Kubiszyn, director of public relations and alumni affairs for the college. A membership drive is planned for Spring 1996 and membership fees will be set in the near future. On September 18, an organizational meeting was held and officers were officially approved. Former student Jennifer Lake Kidwell will serve as president. Jackie Fazeli is president-elect. Vice-presidents are Randy Rogers, Tuscaloosa County; Lisa Matherson, Hale County; Rhonda Shirley, Pickens County; and Barbara Armour, Greene County. The four vice-presidents at large are Stephanie Cook Wilkins, David Wilkins, Betty Bagby, and Jeff Miller. Ruby Anderson will serve as treasurer.

The Alumni Association functions as a support group for college programs and to raise money for scholarships. A special project for the new campus will be organized in the future.

All past and present students are invited to join the Alumni Association. More information on becoming a member is available through Lucy Kubiszyn's office, 391-2221.

WANTED

Responsible, Reliable, Hard-working, Dependable students to write for *The Bucanote*. If you are interested, please contact Keena Shepherd, editor, or Dean Lee, sponsor.

SPRING REGISTRATION

by: Keisha Rollins

Okay, Shelton State PAY ATTENTION! Campus life is changing and if you are not tuned in then you are going to miss out. Due to the needs and growth of the student body, our school is moving. Seriously, Shelton State is moving to a new, bigger, better campus just a few miles down the road. The move is going to be a big step in progress for Shelton State.

Like all things in transition, it will be a slow, gradual process, so expect some difficulties and inconveniences. Due to this progress, the Spring semester will begin January 2, 1996. No, that is not an error; Spring semester classes will start January 2nd! Because of this change, it is important that you, the student body, register for classes as early as possible.

To make registration easier, all current students will be able to register by telephone. Read carefully; the dates and times are:

--November 27th

11:00am-7:00pm

--November 28th-30th

10:00am-12:00pm and

4:00pm-6:00pm

**The number to know is: 759-2349

Warning! In order to register by telephone, you must have your schedule ready when you call. Also, you must take care of all fees by the end of the telephone registration period or the computer will erase your schedule.

Shelton State will hold regular registration on December 7th and 8th...just be prepared to wait in long lines only to find that a large number of classes have already been filled.

Phone registration is cool.

Do it.

MEET MISS SHELTON STATE 1995

by: Sherry Hassell

For the past year, Rosanna Pate has represented the college as Miss Shelton State. A 1992 graduate of Tuscaloosa County High School, this exceptional 21-year-old has won numerous scholarships, including the Mabel Harries Endowed Spanish Scholarship. The Spanish scholarship paved the way for a six-week trip to Guadalajara, Mexico this past summer to study Spanish at UNIVA. She is also attending Shelton State on a Performing Arts scholarship.

As Miss Shelton State, Rosanna had the opportunity to compete in the Miss Alabama Pageant in Birmingham this year. On campus, she is a member of the Shelton State Singers and played a leading role in the school's production of The Boyfriend last spring.

A gymnastics enthusiast, "Rosie" works at Tuscaloosa Tumbling Tides and Cheernastics. She also holds a part-time job at Quincy's, attends school full-time, and volunteers at the VA Hospital each week. She will transfer to the University of Alabama next year to pursue a nursing career.

Rosanna is the daughter of Robert and Ida Pate. She attends Mt. Pleasant Baptist Church in Gordo. In her free time, she enjoys reading, working out, and dreaming of owning a vacation home in Mexico some day.

We couldn't have asked for a better choice than Rosanna for Miss Shelton State 1995. Her personality is warm and friendly and she is a beautiful young lady--inside and out.

ATTENTION

It's not too late to purchase Spanish Club cookbooks. They make great Christmas gifts and at only \$12, they're the best deal in town.

New Campus Update...

by: Sherry Hassell

Construction of the new campus is right on schedule. Shelton's technical programs will move from the 15th Street location to the new site off Highway 69 South in April 1996. The Skyland campus will relocate in April 1997.

Some points of interest for everyone to look forward to when the campus is completed are:

- over 2,500 parking spaces
 - a walking trail and bicycle path
 - 3 fast-food restaurants and a cafeteria
 - 32,000 sq.ft. library
 - an atrium for socializing
 - baseball, softball, and soccer fields
 - an expanded Success Center
 - a lake on campus
 - a gymnasium with 1,500 seating capacity for special events.
- The construction management team of Morgan/Hall, Taylor/Hutt is coordinating the project, which is currently the second largest construction in the state. Plans include a new boulevard linking Highway 69 to the campus.

President Thomas E. Umphrey states, "The new facility is beautiful! Our faculty and staff have done a wonderful job in designing their own instructional areas. The new college campus will be something our entire community will be proud of. We can't wait!"
